Class logistics in Mixed Mode Teaching

Classrooms:	ARO has booked classrooms
In-class:	Instructor, TAs and half of students in classroom
Online:	Half of students join Zoom class
Audio Set-up:	In-class students and online students can hear each other
Bad Audio Feedback:	Students in the class should not join Zoom TA should always mute their mic

Other Logistics Arrangements to note in Mixed Mode Teaching

- Stay a few mins after class for questions
- Hold online office hours | F2F office hours when it is possible
- Ensure assessment schemes are fair for online and F2F students
- Publish Zoom recording in Canvas for students who can't join live class
